**Subject: Letter of Recommendation for Aleksander Efimenko**

Dear hiring manager,

I am pleased to write this letter of recommendation on behalf of Aleksander Efimenko who volunteered with our team on the creation of our artificial intelligence portal at CyberCap.

Aleksander made an exceptional and significant contribution to our artificial intelligence project, demonstrating a deep understanding of the challenges associated with creating our portal. Their technical expertise and dedication were crucial to the success of this initiative.

Furthermore, Aleksander showed unwavering devotion to making this portal the best possible to support our mission. Their commitment to excellence and tireless efforts significantly contributed to the realization of a platform that aligns seamlessly with our organizational goals.

I highly recommend Aleksander as an outstanding and dedicated professional. Their significant contribution to our artificial intelligence portal reflects their commitment to excellence and ability to excel in complex projects.

Feel free to contact me if you have any questions or if you would like to discuss Aleksander's work experience in more detail.

Sincerely,

Marie-Astrid Dubant
